SUMMARY

Java Full Stack Developer skilled in frontend development with React.js and backend development with Java and Spring Boot. Experienced in building responsive web applications with REST API integration, user authentication, and database connectivity. Proficient in developing secure backend services using Spring Security and JWT authentication. Completed industry-ready training in Java Full Stack Development with hands-on experience in API integration and responsive web design. Seeking entry-level roles in Java development, frontend development, or backend development.

TECHNICAL SKILLS

Frontend: React.js, JavaScript, HTML5, CSS3, Bootstrap, Tailwind CSS, Responsive Web Design

Backend: Java, Spring Boot, REST APIs, Spring Security, JWT Authentication, Maven

Core Java: OOP, Collections, Multithreading, Exception Handling, Generics

Database: SQLite, JDBC, Hibernate, JPA

Tools: Git, GitHub, Postman, DOM Manipulation, Local Storage, JSON

PROJECTS

Jobby App sandeep07.ccbp.tech

- Built a job search platform with separate pages for Login, Home, Jobs listing, and Job Details using React.js.
- Connected to a REST API to fetch live job data and implemented JWT token-based authentication and route protection.
- Persisted login session using Local Storage for seamless user experience across page refreshes.
- Implemented responsive web design using Bootstrap for optimal display on desktop and mobile screens.

Technologies used: *React.js, JavaScript, CSS3, Bootstrap, REST API, React Router, JWT Token, Local Storage*

Todos Application sandeep07.ccbp.tech

- Developed a task management application with full CRUD operations using JavaScript and DOM manipulation.
- Implemented real-time UI updates using JavaScript arrays and DOM operations for instant user feedback.
- Persisted application data using Local Storage to maintain task list across browser sessions.

Technologies used: *HTML5, CSS3, JavaScript, Bootstrap, DOM Manipulation, Local Storage*

EDUCATION

Anurag University, Ghatkesar

2019 – 2023

B.Tech in Mechanical Engineering CGPA: 7.19

SR Junior College, Hanamkonda

2017 – 2019

Intermediate (MPC) 88.5%

Carmel Convent High School, Palakurthy

2016 – 2017

SSC CGPA: 8.3

CERTIFICATIONS

- Java Full Stack Development – Nxtwave Disruptive Technologies
- React.js – Nxtwave Disruptive Technologies
- Spring Boot – Nxtwave Disruptive Technologies
- Git & GitHub – Nxtwave Disruptive Technologies
- SQLite – Nxtwave Disruptive Technologies
